

THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D.C. 20505

National Intelligence Council

27 October 1982

MEMORANDUM FOR: Lionel H. Olmer
Under Secretary for International
Trade, Department of Commerce

FROM : David D. Gries
National Intelligence Officer for East Asia

SUBJECT : Your talk to Third World Intelligence
Seminar on 21 October

1. During your talk you mentioned a Carter Administration study about releasing intelligence information to US corporations. The study was not completed and therefore not issued.

2. If a copy is available, I would be interested in going through it. The problem is still with us, as you noted in your talk.

3. Incidentally, I passed your kind remarks about coverage of Japan to the DCI.
